Art in Public Places Call to Artists: Flamingo Park

CTA-2025-002

MIAMI BEACH

Tourism and Culture Department – Cultural Affairs – Art in Public Places

RE: Call to Artists – CTA-2025-002

Total Project Budget: \$150,000.00

Project Name: Flamingo Park

Project Location:

Flamingo Park
999 11th St
Miami Beach, FL 33139

Submission deadline: March 31, 2025 at 5:00 pm, via Submittable

<https://cityofmiamibeach.submittable.com/submit>

Brief project description: The City of Miami Beach, through its Cultural Affairs Division, request qualifications from professional artists and/or artist teams to **create an integrated flamingo-inspired artwork** for Flamingo Park. The selected artist(s) will design site specific artworks that will provide visitors with an outstanding visual experience while creating a unique identity for the park's namesake.

Scope of Work:

Provide, deliver and install a custom art piece for Flamingo Park. This includes design therein with applicable hardware. Shop drawing to be provided to City of Miami Beach Capital Improvements Office (CIP) and shall be submitted to the City of Miami Beach Building Department for permitting. Selected proposals are required to provide a maintenance plan for care of artwork.

Park information:

Located in the heart of South Beach, Flamingo Park is a haven for sports lovers as well as families looking for a spot to cool off. After renovations, the park now has 17 tennis courts, a baseball stadium, handball and racquetball courts, a softball field, basketball court, football field, soccer field, running track, playground, walking trails and a bark park – all surrounded by lush tropical landscaping.

Flamingo Park features a state-of-the-art aquatic center with two pool areas. The eight-lap swimming pool is kept at a comfortable temperature year-round so you can take a dip any time. The center also provides lockers, lounge chairs and shower facilities. Little ones (and anyone young at heart) can cool down and splash around at the facility's outdoor water playground. The park's sports facilities are popular with locals as well as professional athletes who use them for off-season workouts.

Pre-determined Location:

The flamingo-inspired art element in Flamingo Park will be situated in the central juncture that meets right at the heart of the park. This area currently has some lighting elements and seating. Artists are able to propose free-standing works or floor works that will be integrated into this area. Please refer to the images in the subsequent pages for a more detailed view along with red highlights that denotes the area in question.

MIAMI BEACH

Eligibility:

Open to professional visual artists or artists teams over the age of 18 with previous experience in public art only. These individuals have created a recognized body of original works of art within an artistic discipline over a sustained period of time, and are striving to achieve the highest level of professional recognition. Artists who demonstrate innovative, contemporary, and creative approaches in addressing site specific, permanent works of art are encouraged to apply. Artworks commissioned by the City of Miami Beach should add value to its Art in Public Places Program, attract national attention, vitalize Miami Beach's visual signature, celebrate the diversity and heritage of Miami Beach, strengthen economic development and tourism, heighten civic identity, and enrich the spirit and pride of our residents.

Application Process:

The application process is managed by the City of Miami Beach Tourism & Culture Department. Eligible artists are invited to submit qualifications through an open Call to Artists. Subsequently a convening of the City of Miami Beach Art in Public Places Committee (AIPP) will take place.

Artist qualifications will be reviewed by the City of Miami Beach Art in Public Places Committee (the "AiPP Committee") and will award based on the quality of previously completed projects and artistic accomplishments. The primary evaluation criteria will be previous artistic accomplishment as demonstrated in images, work, experience, and/or initial approach to the project as demonstrated in the preliminary statement. If appropriate, the City reserves the right to recommend an artist directly from initially submitted applications. The AiPP Committee will identify semi-finalist artists who will be paid an honorarium to develop specific proposals. Semi-finalist artists will have the opportunity to access architectural plans etc., engage in an artist orientation, a site visit to meet with the key stakeholders to further develop their proposals.

Semi-finalist artists will receive a \$1,200 honorarium to develop specific proposals and compete for the commission(s). No additional compensation to cover any associated travel expenses will be provided for applicants not based in Miami. Semifinalist artists will be provided with reference materials and will have the opportunity to engage in an Artist Orientation and site visit (if possible) with city staff and members of the community. Upon presentation of artists' proposals, the AiPP Committee will select artist(s) for the final commission of the artwork(s).

Submissions must be received as a complete application on the Submittable website by no later than the advertised deadline. All materials will be submitted online, via Submittable. There is NO application fee to apply or to use the Submittable online application system.

For general information about how to create or use a Submittable account, visit <http://help.submittable.com/knowledgebase/articles/225218-how-do-i-submit>

NOTE: Artists must submit a complete application to Submittable. Incomplete applications will not be considered.

MIAMI BEACH

Application Requirements

The information and documentation must arrive at the City of Miami Beach via email by the TIME on the stated deadline, March 31, 2025 at 5:00pm;

1. Artist Statement not to exceed 250 words
2. Project Statement not to exceed 500 words
 - Describe in a couple of paragraphs your interest in the project and preliminary ideas for how you would approach this project. The letter should demonstrate your understanding of the project objectives and a preliminary proposal on how they would be achieved.
3. A current professional resume not to exceed one page;
 - If submitted as a team, please identify the team leader and include resumes for each team member, with each resume being no longer than three pages. Resume(s) should reflect artist experience designing, fabricating, and installing artwork in outdoor public settings. Resume(s) should include information regarding past public art commissions, design team experience, exhibitions, awards, grants, and education.
4. 10 images of previous work
5. Project budget estimate

Budget details:

Document considering and outlining the following inclusive categories is requested:

- Artist Fee (20% of total budget)
- Materials
- Fabrication
- Transportation
- Installation
- Contractors
- Insurance
- Contingency for Warranty (All Work shall be guaranteed against defective materials and workmanship, improper performance and noncompliance with approved construction drawings, for a period of one (1) year after final acceptance of the Project.
- Travel/hospitality (for artists not based in Miami)

About the City of Miami Beach Art in Public Places Program

Art in Public Places is a city board responsible for the commission and purchase of artwork by contemporary artists in all media. The program is funded from 2% of hard costs for city projects and joint private/public projects. Funds from construction projects may be aggregated into the Art in Public Places Fund and allocated for artwork at public sites and for collection maintenance. The fund is administered by a City Commission-appointed citizen's board of seven members, the Art in Public Places Committee.
